

## PROGRAM GUIDE

Pay As You Throw (**PAYT**) is a new more equitable system that charges residents for trash disposal based on the amount they throw away rather than on the value of their property.

This program was approved by the citizens of Unity at Town Meeting on March 15, 2008.

The **FEEs** were established by the Board of Selectman after a Public Hearing on June 23rd, 2008 and will take effect August 1, 2008.

***ALL** recyclable containers must be rinsed clean. Transfer Station Attendants reserve the right not to accept dirty containers for recycling.*

4. The special bags are the only bags allowed in the compactor at the Transfer Station.
5. A **FEE** will be charged for large items (sofas, chairs, mattresses, etc.) that will not fit in a bag. The amount of the **FEE** will be determined by the Transfer Station Manager in accordance with the **FEE SCHEDULE** established by the Board of Selectmen.
6. The price per bag will be set by the Selectmen and may change **without notice** as the volume of waste and/or disposal costs change.
