- Waste Motor Oil & Filters

Charges apply for the following items.

**See attendant before unloading.
Thank you.**

- Appliances Containing Freon - \$20 per appliance
- Bulky Waste (Furniture, Mattresses) - \$5 – \$10 an item
- Construction/Demolition Debris - (Painted/treated wood, sheetrock, etc) \$28/cubic yard
- Electronic Devices - \$5/unit
- Propane tanks - \$5/20 lbs.
- Televisions & Computers - \$10/unit
- Tires (16" diameter or less) - \$2/tire
- Tires (Over 16" diameter) - \$5/tire
- Tires (Large Equipment) - \$25/tire

Hazardous Household Waste

The Acworth Transfer Station **does NOT accept hazardous waste.** For disposal, contact the City of Keene at 352-5739 or the Upper Valley Lake Sunapee Regional Planning Commission at 448-1680 for other options.

Questions? Please see an attendant for assistance.

**Reduce and Reuse
What can I do?**

- Buy in bulk
- Buy re-usable instead of disposable (water bottles, coffee cups, cleaning rags instead of paper towels...)
- Take your own bag to the store
- Compost your kitchen scraps and yard waste
- Repair instead of buying new
- Take unwanted items in good condition to a thrift shop
- Share big items like a rototiller with a neighbor
- Rent big items like a pressure washer
- Buy second-hand items like recreational equipment or clothing
- Give edible gifts or gift cards for special experiences like the theatre—do your loved ones really need more stuff?
